W.P.NO.9820 OF 2004

ORDER:

The writ petitioners worked with the private operator in the bus bearing No.AP-16W-7167, which plied on the route Dwaraka Nagar (Mangalagiri) to Pushkaraghat (Vijayawada). As the said route was nationalized w.e.f 31.01.2000, the petitioners lost their employment. This writ petition is filed to consider the case of the petitioners to post as displaced workers.

As seen from the papers, it appears that the petitioners made representation to the first respondent on 02.10.2002 to consider them for absorption into the services of APSRTC in any suitable post. It is for the respondents-corporation to consider the case of the petitioners for absorption in any of the suitable post provided any scheme or rule or regulation is in force.

Having regard to the facts and circumstances of the case, I am of the view that a direction can be given to the respondents to consider the representation of the petitioners for absorption if it is pending, if not, the petitioners shall submit a representation to the respondents within a period of one week from today and on such representation the petitioners' case shall have to be considered as per the rules and regulations and standing orders of the respondents-corporation within a period of three months from the date of receipt of a copy of this order.

With the above directions, the writ petition is disposed of. In the circumstances of the case, there shall be no order as to costs.
